A. Key Initiatives

Global Investors Meet 2025

Curtain Raiser to the upcoming Karnataka Pavilion at T2 of KIAL

VTPC, on behalf of the Department of Industries & Commerce set up a stall - **'Kala Loka-Treasures of Karnataka'**, at the Global Investors Meet (GIM) 2025, held between 11th to 14th Feb'25, at Palace Grounds, Bengaluru, as a run up to the Karnataka Pavilion being set up at Terminal 2 of Kempegowda International Airport (KIAL) to showcase the GI tagged and other traditional/artisanal products of the State. Government agencies that are part of this initiative including KSHDCL, KSIC, Coffee Board, KS&DL and LIDKAR displayed their unique array of products as a precursor to the setting up of the Karnataka Pavilion envisaged at BIAL. The stall attracted large footfalls with the visit of authorities at the helm in Govt., including the Deputy CM of Karnataka, Chief Secretary, Govt. of Karnataka, Hon'ble Minister for Large & Medium Industries (LMI), Minister of State for Ministry of Labour and Employment, and several other key officials, besides Google X Founder, among others having graced the Pavilion.

Impetus to E-commerce to bolster exports

VTPC in association with the Directorate General of Foreign Trade (DGFT), EEPC, Indian Customs, EPCH, FIEO, ECGC, EXIM Bank, India Post, Amazon, Shiprocket, DHL, AEPC and other Export Promotion Councils, organised a day long E-commerce outreach event, on 17th May'24 at KASSIA Auditorium, Bengaluru, under the Districts as Export Hubs (DEH) initiative of the DGFT. The event was a timely one against the backdrop of global cross border e-commerce which is estimated to grow to USD 800 billion by 2025 and upto USD 2 trillion by 2030. Managing Director VTPC ushered in the outreach program and gave a clarion call to exporters to leverage the best opportunities and ecosystem provided by the State and nurture the e-commerce space to boost exports.

'Embassy Connect' Initiatives

Aligned with the Nation's vision to become a USD 30 trillion economy by 2047, Government of Karnataka has taken concerted efforts to leverage the strengths and potential of various sectors of the State in the exports arena. With a wide-ranging funnel of exportable products and services, the state contributes significantly to the country's overall exports.

Buoyed by its strategic location, robust infrastructure, and skilled workforce among others, the state has demonstrated track record of being an attractive destination for both merchandise and service exports. Against this backdrop, VTPC intends to tap hitherto untapped markets, explore new frontiers, reach

out to potential destinations and nurture strong trade relations with other countries. With this objective, VTPC, on behalf of the Department of Industries and Commerce has taken the initiative of reaching out to embassies of various countries to foster strong trade ties and there by expand its horizons. Focus areas include Market research, trade promotion events, export delegations and promoting brand Karnataka, sector specific initiatives, networking and alliances, among others.

VTPC had interactions with various Indian Embassies spread across Germany, Australia, South Africa, Atlanta, Usa, Chicago, USA, Turkey and Brazil during the year 2024-25.

Promotion of Karnataka's GI products through the Indian Mission in Brazil

The 'Embassy Connect' initiative provided a unique platform for showcasing the ingenuity of the artists/artisans of few select GI tagged and other heritage products of the state in Sao Paulo, Brazil. The Indian Mission in Brazil evinced interest in Karnataka's exquisite legacy products, which were showcased at India's One

District One Product (ODOP) Exhibition held in Sao Paulo, Brazil. Some of these products included GI tagged products like Channapatna Toys & Dolls, Bidriware, Mysore Rosewood Inlay, Mysore Traditional Paintings, besides Sandalwood and Shivani wood gift items among others from Cauvery Handicrafts.

Meeting with Hon'ble Minister for LMI

VTPC, on behalf of the Department of Industries & Commerce, Govt. of Karnataka is setting up an exclusive Karnataka Pavilion ('Kala Loka - Treasures of Karnataka') at Terminal 2 of Kempegowda International Airport (KIAL), to showcase the GI tagged and other heritage products of our State.

Spread over a total expanse of 267 sq.mtrs across both the Domestic and International Bay (1 each), the initiative aims to promote the rich artisanal and legacy products the state is famed for and in this regard six Government agencies have collaborated namely Coffee Board, KSIC,

KSHDCL, KS&DL, LIDKAR and KHDC with their repertoire of exquisite products. Construction at the Domestic Bay is currently in progress. A series of meetings were held during the period 2024-25 under different authorities under Government leadership on the subject, with a key meeting of stakeholders held under the Chairmanship of Hon'ble Minister for Large & Medium Industries (LMI) and Infrastructure on 19th June'24, at the Meeting Hall of IKF, Khanija Bhavan, Bengaluru, to review the progress of Karnataka Pavilions at T2 of BIAL and for according approvals on key initiatives in this regard.

Karnataka gets a new G.I tag!

The Geographical Indications (G.I) Registry, Govt. of India has granted a G.I tag to **"Patteda Anchu Sarees & Fabrics"** – a new G.I product from the Gajendragadd district of Karnataka. With a rich history of over 200 years, the ancient textile weave reflects the dexterity of the weavers of the region who have nurtured the skills and ingenuity over the years.

The G.I tag was facilitated jointly by VTPC, on behalf of the Department of Industries & Commerce and the Department of Handlooms &

Textiles, Government of Karnataka and falls under the 'Handicrafts' classification. With this Karnataka's total number of G.I tags numbers 49, which includes 45 GI products and 4 GI Logos

INDEPENDENT AUDITOR'S REPORT

To The Members of
VISVESVARAYA TRADE PROMOTION CENTRE,
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of "VISVESVARAYA TRADE PROMOTION CENTRE", ("The Trust") situated at VTPC BUILDING, KASTURBA ROAD, BENGALURU - 560001, which comprise the Balance Sheet as at 31st March 2025, the Income and Expenditure Account for the year then ended, and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the said **Financial Statements** read with the accounting policies and notes on accounts as given in **Schedule** attached thereto, give a true and fair view:

1. In the case of Balance Sheet of the state of affairs of the Trust as at 31st March 2025.
2. In the case of Income and Expenditure Account of the Excess of Expenditure over Income for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (hereinafter referred as "SAs") issued by ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Association and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The respective Association of Members are also responsible for overseeing the Association's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Association, to express an opinion on the financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in -

- Planning the scope of our audit work and in evaluating the results of our work; and
- To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our opinion on the financial statements is not modified in respect of these matters.
